Friday 10th July 2020

Dear Parents/Carers of new Year 5 pupils,

Thank you for your patience and allowing us to get the plans in place for a September return. We are so looking forward to seeing everybody in the new academic year, wearing their new uniforms. If you do take any photos on the first day and you would like to share them please send them to the postbox and we can upload them onto our website and Facebook page.

Last week we received some updated guidance from the government regarding the plans for children to return in September. Please understand that any arrangements being made are subject to change, dependent on the country's developing situation with Corona Virus and the School's continuous risk assessments.

Arriving at school – 8.30-8.40am

Children will need to arrive between 8.30am-8.40am (Priority group due to stairs) on the KS2 playground.

They will be met by Mr Critchlow and Miss Hadley and children will need to line up.

Children will be escorted into school and will wash their hands and use hand sanitiser.

All belongings will be taken upstairs into the classroom with them.

Children will use one set of stairs and hand rail will be sanitised throughout the day as part of the cleaning regime.

All children will have their own equipment given to them in the classroom. No need for pencil cases.

Break times and lunch times

Children will have a staggered break time and will use the allocated toilets and zoned area on the playground. If it is wet play, they will stay in class.

Children will be encouraged to wash their hands at the start and end of break time.

Lunchtimes will also be staggered. Children who usually have a school dinner will receive a cold lunch delivered to the classroom by their allocated lunch time supervisor. They will eat in the classroom and then be escorted outside to the playground for free play. If it is wet play, the children will remain in their class.

Home time- 3.30pm

Year 5 will be dismissed through the fire exit door leading onto the KS2 playground. This area will need to remain clear. Parents MUST line up and observe social distancing where possible.

Children who walk home will be dismissed first.

Parents collecting will need to give name of child to the adult on the door and the child will be dismissed. It is really important the contacts are up to date to allow for smooth dismissal.

Once the children have been collected please leave the playground areas. There are to be no social gatherings or congregations.

If you need to speak to your child's teacher then please call the school office and make an appointment to speak to them via the phone or email postbox@busilljonesprimary.co.uk and they will be happy to help.

We understand your concerns regarding returning to school and what it means for your children and we are working hard on the type of curriculum they will receive to support their needs, emotional states and wellbeing.

Stay safe. Best wishes,

Mrs S Field
Head Teacher
